

## SCHEDULE OF FEES FOR SERVICES

Youth workers and the services that employ them are facing challenges that they have never had to face before. Clients are coming to services with more distressing and complex needs. Staff are coming to the sector with minimal qualifications and varied support structures. Organisations are struggling to provide the necessary support to their staff to combat the trauma they face daily.

Ultimate Youth Worker is an Australian company dedicated to providing high quality professional development for youth workers to build and maintain longevity in the field.
